Building Strong Communities

The strength of our home building industry is fundamental to the strength of our nation. Our industry is responsible for providing **shelter and comfort for our families, safety and protection for our communities** and millions of jobs for the economy. Our members have an active role in that process.

Three Memberships in One

When you become a member of our local builders association, **you automatically become a member at the state and national level:** Home Builders Association of Kentucky (HBAK) and the National Association of Home Builders (NAHB). This means you receive all rights and privileges of three organizations simply by joining the local organization.

Cutting-Edge Information

Information is power. In this rapidly-changing industry, knowledge is your best defense. Your membership entitles you to **free publications** including your local newsletter, the state *Kentucky Builders Journal*, and NAHB's monthly *BUILDER Magazine*. In addition, members have special access to the NAHB website with instant access to information on what's affecting the industry (www.nahb.com). Plus, both the state (hbak.com) and local association have websites (www.bascky.com).

Professional Watchdog

Together, your local, state and national association actively promote the profession and **serve as an advocate** for builders and others involved in the building industry. We serve as a watchdog for the profession by involvement in local, state and national governmental affairs, including a full-time lobbying presence at the Kentucky Legislature and the US Congress. Our members also serve on policy-making boards and commissions at all levels of government.

Networking

The Builders Association of South Central Kentucky provides many opportunities for networking. Members can attend a *monthly general membership meeting* providing a relaxed environment to meet and enjoy the fellowship of other members. Additionally, members have the opportunity to attend a *variety of seminars and conferences* providing both education and entertainment.

Products and Services

With the strength of our national organization, **we have buying power that few companies enjoy...**and the savings are passed to you. You can get great deals on overnight shipping, car rentals, credit card services, computers, telephone service and much more. Most importantly, those that qualify can purchase Workers' Compensation or health insurance.

The Strength of Associates

Associate Membership is available to any person engaged in a trade, industry or profession directly related to housing (plumber, electrician, mason, carpenter, realtors, etc.) who subscribes to the Builders Association of South Central Kentucky's Code of Ethics and is of good character. The strength of our professional association and the success of the mutual goals we pursue depends on our members. United, we can achieve so much more for our businesses, our employees, and our families. Membership gives you a chance to enhance your reputation, support the industry and grow your business. Please sign up today!
